Who are we? Members of the North Vancouver Outdoors Club share two things: a love of the outdoors and a desire to explore the outdoors in a friendly, supportive atmosphere which our club offers. **How do we explore?** We hike, we cycle, we cross-country / downhill ski, and we snowshoe...you name it we're game – each member can propose an activity to be enjoyed with members who share his or her interest. **Where do we explore?** The North Shore, Manning Park, Pemberton / Whistler area, Washington State etc...again, our members decide where the activity will take place.

Next Trip Planning Meeting: Monday July 26th, 2021 at 7:30 pm

Important Information

All trips start at the Harry Jerome (formerly Lonsdale) Recreation Centre in the Centennial Theatre parking lot unless otherwise noted (east of Lonsdale and north of 23rd Street behind the theatre). The trip leader/coordinator will determine the start time. Participants are requested to arrive a minimum of 5 minutes early to assist in car-pooling and sorting out gear. Please be prepared to drive if required (although it is rare, there are occasions when there are not enough vehicles for the number of trip participants. On these occasions, NVOOC members are given priority). Non-members may be declined participation if coordinator was not contacted before the event.

Participants must be properly equipped: Good hiking boots, outdoor clothing, rain gear, food and water are required for hikes and backpack trips. Be prepared for changes in weather. Bicycles should be in good order, helmets, rain gear, food and water are required for bike trips. *If in the opinion of the trip co-ordinator, a participant is ill equipped / unfit for the trip, their participation may be denied.* The outings are adult orientated and not suitable for children under the age of 16 years. In consideration of other participants you are requested not to bring pets (dogs) on the trips.

Trip coordinators are volunteers: Generally, they are familiar with the trails, but occasionally new areas are explored. Participants should realize that every trip has an element of risk and it is necessary to consult with the coordinator prior to the trip to ascertain what the level of risk will be. The trips are planned at a monthly meeting; participants are encouraged to attend these meetings.

Please remember to bring clean street shoes for using during carpools to activity locations and have your hiking boots (or ski boots, etc.) in a plastic bag for storage during transport.

All participants are required to sign in at the beginning of each trip and (by doing so) acknowledge that they accept the risks involved. Out of province health insurance is strongly recommended for trips to the USA. **Participants are responsible for their own medications or medications that may require (i.e. ANA kits)**

The North Vancouver Outdoors Club is affiliated with the Federation of Mountain Clubs of British Columbia (FMCBC).

A point system is used: 1=Very Easy, 2=Easy, 3=Moderate, 4+Strenuous, 6+=Extremely Strenuous. Points for trips are given as follows:
Hiking / Snowshoe / Ski trips: each 10km or part = 1 point, Each 500m elevation gain (or part) = 1 point

Bike Trips: Each 25km or part = 1 point, Flat = 0 point, Some hills = 1 point, Very hilly = 2 points, Mountainous = 3 points

Example: A hiking trip that will travel 15 km (return) and climb 1000 metres gets a rating of 4 (strenuous)

Behaviour Policy: Copies of the Club Behaviour Policy are available upon request.
